

Country Craft Trellis of Dundee, Michigan is a family owned and run manufacturing company that specializes in trellises, garden arbors, pond bridges and garden accessories. All trellis and garden products are made from pressure-treated yellow pine and are guaranteed with a 30-year no-decay warranty. Consistent quality products and yearly innovations have enabled us to gain positive recognition in the marketplace. Over the years we have worked to improve, redesign and develop our styles to the point that we are confident each season that we are offering the most sought after styles. Since the customer is our number one priority, we offer custom trellis design services.
