

Country Craft offers custom trellises to fit our customers' needs. We can provide you with a quality trellis made to your exact requirements. Glued, stapled and made from pressure treated yellow pine our trellises are manufactured to be strong and durable. Despite our wide range of styles and sizes occasionally there is a need for customization to fit our customers needs, therefore we offer custom trellis design.

Our Trellises come in 5 or 6 standard sizes and we also offer more than 10 designs that can be customi

- Our eight inch trellis will fit inside a 4" pot.
- The ten foot trellis design will espalier a fruit tree.

Country Craft can accommodate just about any shape or size of trellis to fit the individual needs

If you would like more information on custom trellis designs, please feel free to contact Country Craft of
